

Dear Parents/Students,

- ★ It's hard to believe that it is 2019 already. Teachers are working on the dances for the recital, so it is important for students to attend class regularly, unless they are sick. **If your child is participating in the recital, all costumes should be paid in full at this time.** Please check with the secretaries at the desk for shoe colors before you purchase any new shoes (to avoid having to buy new ones again for the costume). All costume balances as well as a \$50.00 recital fee will be added to your tuition account in February. Costumes should be paid in full at this time. The recital fee is due by February 1st.
- ★ As a reminder, tuition is always due on the **first lesson** of each month; please be prompt with payments to avoid receiving a phone call from a secretary. The secretaries are instructed by the accountant to make phone calls when tuition is late. A late fee of \$15.00 per week is added after the 15th of each month.
- ★ If you need a copy of your child's dance music, there will be a charge of \$1.00 per routine. The studio will supply the CD.

- ★ Competition accounts must have money deposited in them to cover upcoming competitions. If there **are not** sufficient funds in your account or if there are **past due tuition balances**, the student's solos, duets & trios will not go to any of the competitions. All competition fee due dates are posted on the competition team section located on the studio
- ★ Please be **respectful** to everyone including teachers and friends

DECEMBER DANCER OF THE MONTH

- ★ Classes missed for whatever reason by the student **will not** be made up. Classes will only be made up if the class was cancelled by the teacher. If the teacher will not be present, they will let you know beforehand or a substitute teacher will fill in. You will then be informed as to when a make-up class will be scheduled.
